Dear Jeffrey,
What fun I had with you ,woody and soon yi (sp) I never in my life imagined I'd get to discuss William Carlos Williams with woody Allen. I am wondering if its absurdly presumptuous to ask woody if he'd consider talking for two minutes about those plums on camera or skype. There are in fact several poems about plums and I could build a williams class around them. Should I ask? I also actually just liked woody and soon yi so much and would enjoy knowing them better, so definitely dont want to ask if it would sour such a lovely day in any way

Also, do you know if my darling left his jacket at your house or in car? I try to remind him these things--along with iPads etc-- are not one use only...

Anyway, thanks so much for a really fun day. It's up there with getting tour of parliament from Gordon brown and dinner with king hussein and queen rania.

Affectionately,
Lisa
