Confirming
Each of these bins will be labeled and inventoried tomorrow
Each Bin will hold basic spare parts for each machine on island
This includes filters for boats, jet ski s
Smaller tires will be on top level
All of this is in the new shed next to existing engineering
Larger tires will be stored in spare room in genset building
Oil grease lubes etc will be kept in bins
Hydraulic fluids etc in genset building

Small equipment parts will be sorted the same way but kept in landscaping storage for ease of repairs

Plan to start moving from tools etc tunnel to new building Friday
