A guy from MIT Tech Review is giving a talk at TED U – Jason Pontin. Maybe you know him?

He's a smart guy. He's the editor in chief of MIT Tech Review, http://en.wikipedia.org/wiki/Jason_Pontin He was an early editor at the old Red Herring magazine.

You might want to say hi or go to his talk – he sees lots of stuff and stitches things together.

If you want me to point him to you let me know.
