[Social Gaming + Gambling: A Massive Opportunity](#)

Social gaming is often cited as the largest market opportunity in gaming of the last decade. The industry exploded onto the scene, piggybacking on the meteoric rise of Facebook to encompass hundred...

[Should VCs publicly criticize companies?](#)

It's a widely-held view in the startup world that VCs should keep negative opinions on companies to themselves. But former Square COO Keith Rabois was having none of that. In response to a Techcrun...

[When Is It OK To Bash A Founder?](#)

I love entrepreneurs. Entrepreneurs take risks. They don't wait for the future they want. They create it. Entrepreneurs are skydivers without the parachutes. They jump and try to build...

[Video games should be heard and not just seen - Telegraph](#)

Sound is a part of video games that too many players never experience fully, writes Tom Hoggins, but if you're willing to make the investment, the rewards can be astounding.

[Friday Box Office: 'Spring Breakers' Top Limited Opening of Year...](#)

A24's SXSW hit "Spring Breakers" from veteran indie Harmony Korine opened in three New York/Los Angeles theaters to a stunning total of \$95,000, by far the biggest limited opening of the year, and likely to approach a \$100,000...
