Please advise, and I will book your reservations immediately,

Kind regards, Daphne

If you're wanting Chris to be on site while I am, just schedule me for early Sat. morning. My schedule is clear from Thurs until the following Tues. at the moment. I just want to insure that we make the most of the time we have and get everything sprayed.

Greetings Roy,

I just spoke with Chris Sheehan. His wife came out of the hospital last night, but Thursday is the earlier he can get someone to come in to stay with her at home.

He can fly out of Tampa Friday morning at 9:20 am, arrive on STT at 4:05 pm.

Please advise. I have cc'd Ken on this email so he can check his schedule and let us know. DW
