you don't need money to give, only a truly open heart, not an open hand

thanks but i need to feel i've given something so you feel supported , otherwise my conscious won't be clear.

i so hope one day that i'm really really rich. this way i can buy for you, organize for you, give to you everything you could possibly want for.

ive supported you for ten years, you certinaly hurt me more than helpedme but thats irrelevant. I will consider helping again, though you don't seem to understand giving , you still ask for something withouth giving anyting in return , or prodicuing fun novlety, peace, i sent you to thailand , as a gift. i lent you money, i gavce you money , I recieve twenty requests a day for favors, money, help. some from people i don't know some from family, you have asked and asked , i rarely say no, but each time you forget the idea of exchange instead of just one more " can i have". its tedious and unhelpful
