thanks but i need to feel i've given something so you feel supported , otherwise my conscious won't be clear.
i so hope one day that i'm really really rich. this way i can buy for you, organize for you, give to you everything you could possibly want for.

ive supported you for ten years, you certinaly hurt me more than helpedme but thats irrelevant. I will consider helping again, though you don't seem to understand giving , you still ask for something

withouth giving anything in return , or prodicuing fun
novlety, peace, i [REDACTED], as a gift. i lent
you money, i gavce you money , I recieve twenty
requests a day for favors, money, help. some from
people i don't know some from family, you have
asked and asked , i rarely say no, but each time you
forget the idea of exchange instead of just one more "
can i have". its tedious and unhelpful
