Cosmo,

I sent the previous message without actually reading the forum and I have just been notified of the content.

What has been posted is wildly inaccurate and absolutely unacceptable! Consider this my last informal request to remove this thread before an attorney is involved.

Cosmo,
Thanks for doing that. I am surprised people keep commenting on it. Is there a way to make this forum private for your members and not open to the public?

Thank you,

Hi, I have come across this thread on your site and I would like to request that it be removed. Your members' sexual references, personal attacks, accusations and libelous remarks not only brake your Terms and Conditions but also would easily qualify as defamation of character and I would like to avoid having to take further actions to resolve this situation.

Thank you,
