I just got up and packing for London...I leave for the airport at 5:30pm for the British Academy Awards. I am back on Monday night.

I totally agree with you and David. How do we proceed? Can you call Katia and make an appointment? She will immediately call Brian for permission. Or do you call Brian and say you would like to meet with Katia. I am terrified to make either call.

I can go with you to meet with Katia. Please advise.

I can move a lunch with the Israelie Ambassador on Tuesday...maybe Wednesday is better.

Please advise when you are free and I will make myself available. Tuesday morning I have an appointment from 9:30am to 11:30pm... We have a job Tuesday night for HBO...but that is later.

Peggy,

I looked at the P&L for your business in 2012.

Although the revenues are up by 16% compared to 2011 , the bottom line is less than in 2011 by over 3,000 dollars.

This is because the costs went up by 28% or about 30,000 dollars.

There is a line called others in the consulting category for 109K, 8K for copier, 14K for bank and finance charges, 6K for EZ pass etc....

I still think that the next step is to meet with Katia and then with Brian. I had a brief conversation with David Levin today to compare notes from yesterday. He suggests that we meet together with Brian, possibly with you...

Let's discuss

Best Regards,
