Just got home, some huge dj was playing at provocateur so it was incredibly packed and crazy, I was with [REDACTED] and [REDACTED], met another friend of [REDACTED] - blond [REDACTED]. The coolest moment of the evening was when i had the bitchy door girl go outside and announce "[REDACTED] please come in" - the door was crazy, but my black friends helped:) although, everyone is still jealous after seeing me with Aziz last time - they even told me he is in town... Took mucinex, going to sleep. may be will try again tomorrow, hopefully I feel better:) couldn't breath
Kiss:)
