if you are so concerned about my tone of voice. and not what i am saying but how i am saying it, i will in the future not discuss these things with you at all. you feeling you have to defend sue, or shit on [REDACTED], is both tedious and tiresome. i love you, [REDACTED], you spent the day on sunday looking at your watch, at least twenty time,s we only have an hour,- its time to stop excercising-, its time to have sex. whill you have enought time to eatr, what time are you leaving, what time are you landing , there is not time left. im not sure what purpose this serves but the stress the two of us.
