To find out when your score reports have been processed, go to your TOEFL iBT profile and click on View Order(s). Scores are posted approximately 10 days after your test date.

Official score reports are mailed to your score recipients within 2 weeks of your test date. However, ETS has no control over mail delivery to locations around the world. Allow 7-10 days after the mailing date for delivery in the U.S., and more time for other locations. For information specific to a location, contact the local post office and ask for estimated delivery times for mail from the U.S.

To order additional score reports for a fee, to go Order Score Reports in your TOEFL online profile.
