Hi Jeffrey,

To make sure that there is no misunderstanding, the document you received from my father is only a summary and not the entire work. My father agrees with your suggestion on adding religion, new sexuality, etc.

Last Friday, my father was elected & appointed unanimously by the board as President & CEO of "l'Institut du Monde Arabe" [Arab World Institute]. At the end of the day, my father decided that he preferred this adventure rather than going to the Supreme Court. As you can imagine, he is now very busy with around 200 employees under his direction. He needs now to find more funds, especially new ideas for this institute which had been left to sleep since a very long time. So I think it would be easier for him to talk to you in person when you come over next to Paris.

How are you?

Big kiss,

Caroline
