Hi,

Reputation should have made it clear to me and everyone else from the get go that there were national and local search results-- and that my kinko's reference was not valid. I'm going to look at the local results now and will get back to you.

Hi Jeffrey,

Reputation mentioned and I think they are correct, that defamation costs are tax deductible. All costs associated with removing defamation: advertizing, PR, media, legal etc should be deductible.

I want to review the NY results now-- and will get back to you today.
