Brandon Calder <http://lnkd.in/2QM4xx> - I remember working with the QNX Neutrino code when it was 'new'. We were building the first (and only) Intel-based interactive TV set-top. QNX's micro kernel OS is a MUCH stronger platform than most realize (compared to iOS, Android or WinPho). Dan and Gordon (QNX founders) are amazingly intelligent and hard-working. I think RIMM with phones, tablets and cars will be a bigger force than most realize.

[History of QNX and its Implementation in BlackBerry 10](#)

QNX Porsche When BlackBerry 10 launches this week, it will mark a major transition in the underlying operating system that powers BlackBerry. From the moment that BlackBerry 10 hits the market, the operating system that powers...
