Subject: Re: thoughts?

I could have (and probably did) written and said the same thing in 1979 when I started the Cognitive Science Society

http://cognitivesciencesociety.org/about_description.html

so I agree but really I don't believe in committees any more than I believe in democracy

thats why your VI meeting didn't work

10 people who basically agree and let the fighting begin

and that, by the way is why AI never happened, because no one with funds made it happen; they just explored ideas
