ear [REDACTED], I understand that an inadvertent error on my part, has caused you considerable pain, I am very sorry. When the hasty pudding people called and asked who would be going and in what name should i hold the table , Jeffrey said he wouldn't go but he would ask [REDACTED] if she wanted the table, so I gave the name of [REDACTED] for the table. we canceled that and gave the table back when [REDACTED] said no. There was a follow up call , I understood the question as who was actually going ? (In the middle of a hectic day, i I must have misunderstood the question and thought they were asking who was going to school. told them [REDACTED] this how i believe her name got put into the solicitation, I take full responsibility, and as you can imagine feel terrible , but I can assure you that Jeffrey was not involved in any of the conversation whatsoever.
