Hi Jeffrey,

you have two remaining bad links on the 1st page: huffington and NY Post.

when I started this campaign, you had 6 negative listings: (daily beast, daily beast, telegraph, forbes, ny post, huffington). and a mug shot on the 1st page.

When i started, you had 1 website. You now have 7 from me and 6 from Reputation. you have 42+ published articles from me, about 12 from Reputation-- all pushing your websites up.

you don't have 100% results yet so I understand if you want to stop with Reputation on Jan 26th.

and I understand if you want to stop having me on board too. I had no idea it would be such a drawn out process.

I have a lot of loose ends that I would like to finish with the websites, optimizing them as much as I can, press on the 10th anniversary, and am hoping that I can continue until the end of my month cycle-- Feb 15th.

I've checked five computers today. All bad and arguably worse

Hi Jeffrey,

I have redrafted your science site. To see it, go to:
<http://www.jeffreyepsteinscience.com/> I have to reoptimize and add content for the rest of the day.

Your education site is now on the 1st page.
