**Clarifications and corrections: The Duke of York**

**PUBLISHED:** 00:01, 11 February 2013 | **UPDATED:** 00:05, 11 February 2013

Articles of 7 and 14 May 2012 said that the Duke of York had demanded a private plane, travelled in a chauffeur-driven Rolls-Royce and snubbed free accommodation for his official Diamond Jubilee visit to India. We now accept that the Duke had no personal involvement in the decision to charter the plane, did not travel in a Rolls, and that the British High Commissioner's residence was deemed too small for his party on this occasion. We apologise to the Duke of York for the misunderstanding.
