Ion has bought his supplies and started working. He did send me below saying that it seems to be more work than he had anticipated.

Would you like to see photos of the blue color he chooses for hallway so we can make sure you re happy with it?

'it seems its more work then i thought seeing your pictures you showed me in new york., there are more cracks., but the rest is fine
anyway, for now i am good, i will let you know if i need anything'
