Subject: website request

Hi Jeffrey,

I have a free website available to me. I would like to set up another website today called: www.jeffreyepsteininternational.com focusing on all of your international relations/ accords work. I can optimize it quickly.

you have 2 negs on your 1st page: 4 of my websites are on the 1st page and 1 on the 2nd page. So I'd like to get another website added to cover the 1st page completely.

thanks for letting me know so I can update Darren.
