Rich Barnett , Rich, myself and Danny spoke. Based on Rich B review of plans he and Rich are of the view that ARS quote maybe 'overkill' and existing system issues might be solved with new/additional dampers, sensors and control electronics.

Rich Barnet is reaching out to Traine concerning addressing the issues using the existing system.

Danny will be contacting the St. Croix company (*OTL Mechanical*) whose name I had gotten form Ritz engineering manager. As it turns out Danny worked with them for 4 months at the Ritz, and was impressed with their work . He will solicit them to come and review the system and solicit a bid for both - recommendations on fix existing and install new system.
