Greetings,

Bruce called me back immediately. As I hoped, he is curious. I basically asked him if he would be open to a conversation with his former, and my present, Principle, about a future.

He said he was definitely open to such a conversation, he gave me his email - [REDACTED] and asked me to forward along with his cell number, which I emailed you earlier ([REDACTED]).

I told him that there is no timeline or guarantee that the conversation would happen, but if it did it was a "package" - that the conversation would also include his wife. There was no hesitation and he reiterated that he was very open to a future relationship.

Please advise, DW

Greetings Rich,

Bruce's local number is [redacted] I left a message for him to give me a call. If he does it should at least say he is curious. He is presently on STT, probably for the Winter, as I suspected.

Carlos is getting me his email and I will keep you posted. I did not reveal to Carlos why I am seeking Bruce - and will not. DW
