Hi Jeffrey,
Hope all is well! The producer of the movie "Precious" likes the story I wrote about my Grandmother in WWII Holland and I'm in search of a screenwriter. He has recommended several men, but think because the story is about a woman, a female screenwriter would be better. Do you know any?

"Bike Route" was written for a short story contest - let me know if you like it! BTW, yes, I used your name. hope you don't mind.
