Thanx

It was already edited by an english teacher, she is British... What abt content?

It is such a unique opportunity...I won't have to pay 60.000\$ per year if I am accepted into the programm (Scholarship) getting myself involved into founding an escort agency to pay for a school....

Other people who apply are French most of them..little amount of them had all the experiences out of the Sorbonne Law School that I had. They are Claire type best of the class girl I reckon.

Hopefully my experiences in Aus and USA will be taken into account because my grades are average....

GIRLS, I know Romain Lieter, Professor Nouriel Roubini ' s friend who introduced me to Nouriel. I will ask him if he could pimp you some girls, he knows heaps of gorgeous models

I have almost no friends now, only Law Books and Sorbonne Professors, no social life

Respectueusement,  
Kind regards,
