Subject: email

on my birthday , you read my e mail. We took a bath and I told you that there was nothing more important to me than the fact that i loved you. I said that nothing else matters. you began before i went to sleep with a lecture ie, i would like to remind you that i do not want to be lied to. ?? : I want the truth. svetlana ... other. Then you tell me that you didn't read it /!!!!!!!!!!!!!!!!!!!!!!what you meant was that you didn't have enough time to read the whole message , because i probably moved to the next one , before you could. The message said that two girls wished me happy birthday.
