Hi Jeffrey,

attached is my article on the Institute for Advanced Study. I am also sending one out on the 10 anniversary of the Program for Evolutionary Dynamics which I'll send to you tomorrow. I'll send you the published links.

I did a google search from Kinko's today. You have:

3 websites on the 1st page.

5 websites on the 2nd page: usvi, education, blog, forum, twitter account. I am pleased with the education site. It has moved up quickly.

I am focusing on getting all the 2nd page listings onto the 1st page. All my articles link to those websites.
