Hi Heidi

You spend \$1.1 million a year, plus income taxes

Dieter	\$150,000
Household	550,000
Personal	400,000

For clarification, Household includes \$100,000 for the summer rental in the Hamptons. It also includes \$250,000 for the house in Long Island, which your Dad pays rental income on (rental income is not included in this amount)

Please let me know if you need additional information.

Carolyn
