Greetings!

I think you have to agree, the one key player who staved off the "fiscal cliff" and a slew of higher taxes was **Senate Minority Leader Mitch McConnell** of Kentucky.

While the rest of Congress acted like petulant children, Leader McConnell came forward and hammered out an agreement with the Administration that kept this Country from the edge of disaster.

The Leader is up for re-election in 2014 and I hope you feel as I do that he deserves our support.

This is a new cycle and the Leader will be at my home the early evening of January 27, 2013. I am asking evening co-hosts to write the maximum \$5000 (\$2500/election,) supporters \$2500 and friends \$1000.

Details follow and I hope you will join us.
