We are in NC driving to Durham to meet Andrea's baby.
I just sent an email with the best rug I've found so far with the color blue you are looking for. It's a very difficult color to find unless you want to do custom.
I'm not sure what photos you are referring to. You only had me working on the large 5 Palms canvas which is on site now. I believe you had [REDACTED] working on photos as she sent an email asking which ones you wanted her to print.
I received 2 of the 3 parts of the depo so far..
Also, any input on the white media cabinet option I found at Room and Board? Karen agrees its a great option. Any input?
