I just met with John from Peterbuilt,. He owns 6 large truck Peterbuilt dealerships. Extremely nice guy. He viewed midnight express, really likes it, he was going to purchase a new Midnight from Harris, but canceled the order. He would rather locate a clean used one like yours. He is concerned about bow rise coming out of the whole during first acceleration, I assured him, this hull rises with minimal bow movement. We are going to accomplish a short demo ride, 8am tomorrow morning if you approve?

Thx
