David Kratz with the NY Academy of Art has called again asking if there may be any truth to you donating to the school again...he says they are raising money now for renovation of their building...it would make a big difference to them if you really are going to donate again...

David asked me for your email address but I told him I cannot pass it along...I requested he send me an email and I can forward to you...but he says he did that already when he forwarded the release

David is asking if I can please call him back either way...

Please advise what you would like me to tell him..
