Thanks ,
I looked at Borough college I wanted they do have an international relation and business communication major but the score they required is almost like in NYU so in order do not waste my time in language school I may try to apply for a scholarship hunter in oriental studies and take a Chinese language than later transfer to Borough because I anyway would take Chinese language as a part to my major . But deadline for applying for fall semester is feb1., what do you think? do you think it is not too late to apply ?
