We have seen pictures of your island and of course we would be delighted to visit it. But I have to talk with the captain who is planning the tour. We have to be back on beef island on the 19. so it depends on the required time to get there from Little St. James.

By the way, Hanne and I have talked about coming back to somewhere in the caribbean with my two sons during eastern to celebrate her 60.birthday (I can't keep it going only with young women as you know). This time not for sailing, just to stay at a nice hotel at the beach, we from the north pole need some sun and warmth. May be we can see each other then.

But again we would love to pass by your island even if you are not there. We are 6. I'll keep you informed.
