please send me the accounting for the estate. This is way past due. my calculations are that i am owed the following, 4.9 million estate which includes a loan to you of 250 k that was made while mom was in the hospital. , minus expenses which also include the 90k that you took as executor. 4.9. - 700 equals approx 4.2. minus the 800 already paid .. equals 3.4 half of which is 1.7 additional which i have received so far 550k . so an additional check for 1,150,000 should be sent to me asap. Afterwards we will need to resolve, hopefully amicably the 500k difference of the million that you as trustee of dads trust are responsible for letting mom take. from us.
