See below from Mark Tramo...should I let him know you won't be around?

I'm flying into Manhattan 12/22 for a week or so and would love to see JE and his right hand. Will he and you be around? There's a lot a lot of exciting "mavericky" kinda stuff going on that I'd like to tell him about (and play for him) in person - if you have a number I could call you at later today (my cellphone got wiped at the MRI Suite!) I could explain to you what's happening so perhaps you could give me some feedback and advice.

Cheers,
Mark
