Jeffrey,  
Meridean changed the pitch computer for autopilot,.  
I'd like to accomplish a test flight at 1:00pm tomorrow for 30min.  
I'd like to determine if this repairs the autopilot and evaluate the heating issue we experienced on last flight from chicago.  
If its not working properly, I have next week to continue trouble shooting before your on board.  
Do you approve of short test flight tomorrow?

Thank you,
