Hi Jeffrey,

The content that Reputation Changer produced in Month 1 is:

3 websites:

Jeffreyepstein.co

Jeffreyepsteininfo.com

Jeffreyepsteinfinance.com

3 blogs:

Jeffreyepstein.wordpress.com

Jeffreyepstein.blogger.com

Jeffreyepstein.weebly.com

3 press releases

12 blog articles

10 guest articles

The websites they created are necessary to replace negative listings. Websites seem to be the only things that surpass negative press. We are very close to eliminating the remaining negative link from the 1st page so I do think a 2nd month with Reputation Changer is worth it. I also want to complete the work of getting the education website and the USVI website onto the 1st page.

I also look forward to talking about working on other projects with you.

See you tomorrow morning.
