now, just more for bill, larrys 5 percent for legal was total fiction. . to be fair it is hurdle , then carry, , with no investment. so lets say 100 million . returns 15 % per year for 4 years. , roughly 60 million, (no compounding), forty is after the hurdel you get 12. after tax 6-8 approx 1.5 per year. after tax. with this language if bill fired you from the new co,, after 4 years, youw ould get nothing
