Hi Jeffrey,

I'm once again raising funds for pediatric, clinical, capital and research under the umbrella. For the first year in 9 years not doing an event, having a "non event" event due to our best practices being bought into alignment with IRS rules that don't permit splitting fmV and "charity" between 2 checks, personal and foundation if you're going to take a good or service or buy a table and attend an event. Polling my room their bidding behavior was going to change and so I've taken this year to see how much money would come in by just stewarding my long time relationships. 4th quarter I'm up to \$1.7 million with another 300k for sure so will break 2 million with no expenses and probably give them almost the same. Would welcome what has become your annual generous contribution of \$25K if you're able. Check to The Mount Sinai Hospital in the memo section "Mindich CHDI" for children's health and development institute and mail to me at

Robin Solomon

Wishing you happy holidays and good health in the new year.

Warmest best,

Robin
