**Subject:** Hedge fund interview

Jeffrey,

Alice sounds very excited and happy about meeting you!

My friend in Monaco wants her as [REDACTED] PA in his yacht company + to be actress for the movie he is going to shoot, but when I think of the whole process of moving [REDACTED] not French speaker here with only Russian passport and then looking for [REDACTED] guarantor for her in order to rent [REDACTED] place in France/Monaco...oh la la - but if she is hard-working and determined, she can succeed at any job I think !

Hedge fund: I want to ask them tmrw at the end of [REDACTED] 3 hours interview with 5 people the following - do u think its [REDACTED] good idea and they [REDACTED] think that I'm too aggressive :

What is the competitive advantage of your hedge fund?  
What types of investors are do you consider to be in your immediate target market?  
What is your market share of these investors?  
How do you plan on growing new investment into the hedge fund over the next 12 months and beyond?  
What are the most important things you are looking for in your next employee?  
What career growth do you expect for people joining your firm?  
What training do you provide new employees and how do you deliver professional development training long term?  
What do you love most about working here?  
How do you feel about me?  
What are the next steps in your recruitment?  
With warm wishes,  
Cordialement,
