Maitre Guyot just informed me that Fancelli reviewed the photos transferred through our offices and would like to get more information with respect to :

- the overall layout of the house and the communicating doors/passages between the rooms, ideally shown on plans,
- the use for each room and the use that Mr. Epstein intends to have for each room,
- any changes to be made on layout and materials,
- and any other documents/information that Mr. Epstein may feel appropriate for Fancelli,

everything still remaining confidential and consequently to be transferred through our offices.
