Ada is meeting with Leon tomorrow morn. I asked for her resume, thought you might like to see also. Current total comp is \$350k composed of \$275 base + \$80k incentive income (50k cash + 30k restricted stock).

As we discussed briefly one day, she spoke of wanting \$450k. In a subsequent conversation she made mention of incentive bonuses down the road. You said you thought \$400k for 3 years was fair. I don't disagree but I think she will only go for that if there is an incentive component and I don't think Leon is into that. I'm thinking maybe we offer \$400k yr 1, \$425k yr 2, \$450k yr 3-no bonus. She also has \$46k restricted stock. I am checking on how Apollo usually deals with that. Thoughts??
