I tried to make a temporary passport today. Unfortunately they said that the letter is not enough. I have to be a diplomat to make a second passport and urgent situation. In addition, temporary passport is only available when sth happened to oryiginal passport. They said that then original passport become invalid when you apply for temprorary. I was so dissapointed :( In this case i can go to these countries where i can get a visa on arrival at the airport (there are many in options, i can send u a list). I can also apply for less amount of visas and they keep my passport shorter. I can also do russian if u decide. Let me know... Today i took another shoots... and had few adventures on my way... how are you feeling? I know you hate hospitals...

Lots of hugs
