your mother has breast cancer , you have a visa to deal with, medical to update. dental office here is a pigsty, your apt is in limbo. the apts at 301 are a disgrace and everyday i hear how you have no time , though real people have work a family a life , responsiblitys, and rarely put a school patient in front of seirous issues. no time to eat, you are in dental school, not the front lines in a war where people are dying, .
