Hi [REDACTED]

We received the wire this morning. The official start date will be today the 21st. I have asked my payments department to draft an invoice to reflect the payment that was received. I will send that over to you as soon as I get it.

Our strategy team is going to get together today. We have the proposed strategy that I gave you the other day. In all likelihood, we will be following that to a "T."

Should there be any modification based on need (change in analysis) I will let you know but do not foresee that happening.

Respectfully,

Philippe Han
