Have been on the call since 8am straight. Have a conference board call of a company I am on a board.

Thank you

Will restructure so that there is a put and call on shares . Capital gains . Bill gets first five you get next ten after -then 70-30 . Payment cannot be taken away, valuation method , outlined . I am sorry that reality has been harsh . But not a real surprise .

Sorry for all the typos .Sent from my iPhone
