Heather is in California on vaca. When [REDACTED] and I spoke she said today worked, didn't realize her hosts had made plans. She was pretty fine with [REDACTED] outline and promised to forward comments and add questions to consider.

Just saw this - cell coverage here is terrible. Will tomorrow work at all? Anytime after 6:30 am my time/9:30 am NY time is fine for me. Sorry for the delayed call - I'm with a group of people so can't rearrange everyone else's schedules for today.
