Hi,

Today we have been informed that we can collect the boat.

We need to arrange transportation - we tried to tow with Toyota Landcruiser, however the trailer is too heavy.

Additionally the trailer has a different electrical socket than the one we use in Europe.

I hope tomorrow we manage to collect the boat.

What kind of car do you tow the trailer in USVI?

Best regards

Adam Zykowski

hope you are well and enjoyed your time off
can you please confirm you have received boat and next steps
as i am sure you can understand mr epstein is very anxious for some feedback
thank you
