I totaled the Miata last night. I blacked out and the car swerved across Montauk Hyway and plowed into several fence posts.

I could have been killed by oncoming traffic. I missed utility poles that could have gone thru the car. The air bag did not deploy. The car is totaled. Miraculously I did not have a scratch on me.

The police treated me like a criminal/drunk until I passed the breathalyzer test because I have not had a drink in 10 years. Once they realized I was not drunk they told me I was lucky to be alive.

The tow/flat bed truck took the film to car to Suburban Auto in Southampton. I showed them my license and registration. They did not ask for an insurance card which I could not find anyway.

I am so sorry to bother you on a Saturday, but I assume I have to go over to Suburban Auto later this morning and deal.
